Peace News
August 25, 2022

Dear Friends:

I saw this on FACEBOOK and wanted to share.

"Barely the day started
and it's already six in the
evening.
Barely arrived on
Monday and its already
Friday.
... and the month is
already over.

... and the year is almost over.

... and already 40, 50 or 60 years of our lives have
passed.

... and we realize that we lost our parents, friends.

... and we realize it's too late to go back.

So... let's try, despite everything, to enjoy the
remaining time.

Let's keep looking for activities that we like.

Let's put some color in our grey.

Let's smile at the little things in life that put balm in
our hearts.

And despite everything, we must continue to enjoy
with serenity this time we have left.

Let's try to eliminate the afters...

I'm doing it after.

I'll say after.

I'll think about it after.

We leave everything for later like " after " is ours.

Because what we don't understand is that:

Afterwards, the coffee gets cold.

Afterwards, priorities change.

Afterwards, the charm is broken.

Afterwards, health passes.

Afterwards, the kids grow up.

Afterwards, parents get old.

Afterwards, promises are forgotten.

Afterwards, the day becomes the night.

Afterwards, life ends.

And then it's often too late.

So... Let's leave nothing for later.

Because still waiting to see later, we can lose the
best moments, the best experiences, best friends,
the best family.

The day is today. The moment is now.

We are no longer at the age where we can afford
to postpone what needs to be done right away."

It Looks Like
an Eternity,
But It's a
Short Trip,
Enjoy Life and
Always
Be Kind.

Denise
